

THE GLENVIEW'S LIFECARE PROGRAM

The Glenview's LifeCare program gives you not only a home for life, but also health and nursing care for life. In addition to your independent living residence and access to every community service and amenity, as a resident, you have priority access to Premier Place at The Glenview, our skilled nursing and rehabilitation health center, as long as you need it.

The Glenview is truly unique. We are Florida's only equity ownership, LifeCare, senior lifestyle community. We provide our residents with a generous and comprehensive LifeCare program, which few lifestyle communities have, as the Office of Insurance Regulation (OIR) in the State of Florida must regulate it.
